IMPACT 2015

1600+ People Supported Each Year

More than 1,600 people with developmental disabilities and their family members receive award-winning services from IRI each year.

500 Family Support Services

500 Families received support at home and through site-based services that provided them respite from caring for their child with IDD as well as providing support in time to prevent anticipated crises.

102 Volunteer and Employment Options

Over 102 adults received on-site job training and coaching helping them learn what it means to work and be employed.

151 Personalized Living Arrangements

Men and women of various ages and capabilities decided where and how they wanted to live, with more than 151 people calling IRI “home”.

144 Community Habilitation

Support to improve daily living skills and utilize the resources of their community.

589 Medicaid Service Coordination

Medicaid Service Coordinators seamlessly coordinated care and service across all providers for more than 580 people this year.

85% Crises Averted

Crisis can happen anytime but the IRI team is there to help around the clock, diffusing up to 85% of crises initiated within 2 hours of the call.

171 Day Habilitation

More and more people are discovering and better honing their skills through volunteerism and community involvement.

100 People Achieved Independence with Technology

Over 100 people used 12 different technologies to live more freely at home and in their community; supports included virtual medical care, GPS watches, and home sensor technology.
